### ABOUT ME

I am a Digital Printing Operations In-Charge with over 5 years of experience in managing end-to-end digital printing workflows. I specialise in operating high-end printing machines, handling materials and stock, coordinating production, and maintaining quality and timely delivery. I also manage web updates, SEO tasks, basic design work, and team coordination to ensure smooth departmental operations.

### EXPERIENCE

**Winning Star Labels and Tapes LLC,  
Ajman, UAE | July 2024 – Present**

**Digital Printing Operator / Department In-Charge**

- Manage the full digital printing department, operating Ricoh C7100SX, Robo Form, KES, Fullcut, Creasing Plotter, Lamination, and Cornercut machines.
- Oversee materials, toner stock, Excel tracking, file preparation, Adobe Illustrator design tasks, SEO, and mailing.
- Coordinate end-to-end production, ensuring high-quality output and timely delivery.
- Maintain smooth departmental operations as in-charge, driving efficiency and productivity.

**Cheque & CF Production Operator  
Emirates Printing Forms Est., Abu Dhabi, UAE**

**Oct-2021 to June-2024**

- Operated and managed cheque and CF production, including cash rolls, printed labels, and custom cable labels.
- Handled materials, toner inventory, and machine setup for smooth workflow and on-time production.
- Maintained high-quality standards and coordinated with the team to ensure efficient operations.
